62nd Newsletter on Social Inclusion and Poverty Reduction

13.7.2020.

INTRODUCTION

Access to Justice and Poverty Reduction: Lessons Learned and Challenges in the Post-Corona Period

Prof. Nevena Petrušić, Faculty of Law, University of Niš

Effective access to justice is a fundamental postulate of any democratic society founded on the rule of law, and a prerequisite for the enjoyment of all civil, political, cultural, economic, social and other rights. Although access to justice is important for all, it is especially relevant for members of vulnerable groups, who are at a higher risk of poverty and social exclusion.

Guide for People with Hearing Impairments: How (not) to Skydive

Sara Đurđević

I am clinging to the balcony on the eleventh floor, hedged with my panic-filled fear of heights. The very thought of skydiving is making me dizzy. Still, I can't wait. *Hey, I am going to jump out of a plane. But seriously, I am going to jump!*

SUCCESS STORY

Cooperatives – it is important how we join together

During the two-month-long state of emergency, many members of cooperatives tried to ensure that this crisis was not disastrous for their fellow citizens

The global economic crisis and a kind of pause of everyday life as we know it, caused by the global coronavirus pandemic, represent an opportunity to redefine our understanding of communities and solidarity. In order to define new business models and treatment of social issues, it is up to us to listen carefully to those for whom the association is neither the end nor the means, but the purpose of existence.
